PRESIDENT ROOSEVELT'S TRIUMPH.

The Peace Conference Will Be Held in Washington.

BY UNITED REQUEST.

The Man Who Brought It About Will Name The Place.

Washington, June 16.—Washington will be the scene of the peace negotiations between Russia and Japan. Japan refused to go to Europe and Russia was unwilling to meet Japan in the Far East.

The announcement came in the form of an official statement issued by Secretary Loeb by direction of the President. The statement follows:

"When the two Governments were unable to agree upon either Chefoo or Paris, the President suggested the Hague, but both Governments have now requested that Washington be chosen as the place of meeting, and the President has accordingly formally notified both Governments that Washington will be so selected."

OFF FOR CANADA.

Hopkinsville Sends Three Delegates to S. S. Convention.

The International and Interdenominational Sunday School Convention convenes in Toronto, Canada, in a few days. Representatives from all over the civilized world will be there and it will be the great convention of this year.

Under the rule of representation Kentucky is entitled to 87 delegates, and Dr. J. L. Wyatt, pastor of the Cumberland Presbyterian church, says that a full representation from this State is assured.

Dr. Wyatt is a member of the executive committee of the Kentucky S. S. Association and will leave for Toronto next Monday. Dr. Wyatt's Sunday school has done the handsome thing for him. As soon as it became known that their pastor was contemplating going to the convention steps were at once taken to raise funds to defray his expenses, and it didn't take long to do it. Dr. Wyatt will be accompanied by Mrs. Wyatt and Miss Daisy Rice.

WITHOUT WARNING.

Jas. T. Harrell Expires While Lying in a Hammock.

He ate his dinner as usual and went out and lay down in his hammock, where he was found dead a few hours later. He was a brother of Dr. G. A. Harrell and uncle of Senator S. B. Harrell. The funeral was conducted with Masonic honors.

FIRST WHEAT

Of the New Crop Delivered By Mr. E. C. Cayce.

Mr. E. C. Cayce, of Beverly, broke the record for early wheat delivery on the morning of June 15th. He brought in a load of new wheat by 8 o'clock and received the premium of a barrel of patent flour offered by the Acme Mills. This is three days earlier than the earliest record heretofore. The wheat weighed 61 pounds and graded number two. Mr. Cayce's crop will average 25 to 30 bushels an acre.

VINCENNES

Playing the Browns This Week.

The baseball team spent Thursday at home and did not play. Paducah beat Vincennes 6 to 4 and Cairo beat Princeton 8 to 6.

Yesterday Hopkinsville played Vincennes on the home grounds and another game is scheduled for this afternoon.

The Alices are now the champions and came flushed with victory. It remains to be seen how they are to come out this time with the Browns. The game was in progress yesterday at press hour, with Purdue in the box.

BUILDING COMMITTEE

Meets Monday to Open Bids And Award Contract.

The committee empowered to open bids and consider same will meet next Monday afternoon. This committee will, in all probability, award the contract for erecting the Y. M. C. A. building. The foundations have been completed long enough for them to settle perfectly, and the building is to be completed by fall.

A Jersey cow owned by the estate of N. F. Berry, Lexington, was sold to T. C. Cooper, Cooperstown, Pa., for \$2,500. A herd of 75 head brought \$10,880.

MONDAY WEEK COMMITTEE WILL MEET.

To Place a Democratic County Ticket In The Field.

MEMBERS ARE RETICENT

Plans Are Being Carefully Guarded Until The Time Comes.

Monday, June 26th, is the time appointed for selecting a Democratic county ticket to be voted for in November. It will be placed in the field by the committee and a convention will be held immediately afterwards to ratify the selections made. It is understood that some good material is at the disposal of the party in making up a ticket to overcome the Republican majority of 1,180. It is believed to be a very propitious time to make a determined fight to redeem the county. The Republicans are by no means united and to add to their troubles about 400 negro voters have left the county. The Republican majority is probably not more than 800 under these conditions and a change of 500 votes would enable the Democrats to win.

The committee has been striving to harmonize a small faction of the party that has been questioning the right and authority of the committee to make nominations and with this faction pacified there should be no obstacles in the way of entire harmony.

All candidates and prospective candidates at the April meeting agreed to submit their claims to the committee and any new aspirants will be required to do the same.

CIRCUIT COURT.

Damage Suits Claim Nearly All the Court's Time.

One of the cases of most general importance that has been called for trial this week is the second trial of the suit of Miss Annie May Brasher against the T. C. R. R. Co. The case was called for trial yesterday and consumed the entire day, and may take all of today before a verdict is reached.

The suit of Henry Vanhooser against Orr, Mizell & Co., was on trial Thursday and given to the jury but no verdict had been handed in late yesterday afternoon. This is a suit for alleged damages sustained by defendants attaching and selling out plaintiff's stock of groceries.

Tom Buckner sued Mrs. Katie Mason for a share of the proceeds of a crop of tobacco and obtained a judgment for \$75.

The jury in the case of Samuel Marlow for damages against the L. & N. R. R. returned a verdict Thursday for the defendants.

GENERAL ASSOCIATION

Of Baptists Will Meet at Russellville, June 21.

The General Association of Kentucky Baptists will meet next week in Russellville. The Ministers' meeting will be held Monday and the Educational meeting Tuesday. The Association meets on Wednesday, June 21. Rev. C. H. Nash will delay his departure for Europe until after that time. He will sail from New York June 28.

The annual reunion of the Green River Association of ex-Federal Veterans will be held in Central City, July 4th. A cordial welcome is extended to both ex-Federal and Confederate soldiers, and a programme will be arranged that will be agreeable to all.

Secretary Taft will not be a candidate for President against Foraker, but wants to succeed Chief Justice Fuller, who has passed the age of retirement.

A military company was organized at Henderson Wednesday night as Co. B, Third Regiment. The following officers were elected: Captain, E. C. Walker; first lieutenant, Jas. H. Rowland, and second lieutenant, J. William Rodman.

E. T. Franks, it is said from Washington, has nothing to fear from E. G. Seabee's fight for his place as Collector at Owensboro. Franks has struck it richer on smaller capital than any politician in Western Kentucky.

Another royal wedding took place at Windsor Palace Thursday. Prince Margaret, of Cannought, was married to Prince Gustavus Adolphus, grandson of the King of Sweden. The bride's cake was five feet high.

The fifteenth annual convention of the United Confederate Veterans adjourned Thursday evening after selecting New Orleans as the next meeting place. Gen. Stephen D. Lee was unanimously selected General commanding the organization.

Misses Hallie, Fannie and Anne Bello Booth were drowned in the Ohio river in Meade county. They were in bathing in Miss Annie, the younger, became exhausted and her sisters lost their lives trying to save her. They were daughters of Dr. Grant Booth.

LYNE STARLING

Wins the Honors of His Class at Centre College.

Centre College, located at Danville, Ky., is one of the oldest institutions of higher education in Kentucky, and has graduated 25 college presidents, 25 representatives in congress, 5 U. S. Senators, 2 vice-presidents and 1 judge of the supreme court, to say nothing of college professors, circuit judges, etc. To carry off the honors of a class in such an institution as this is something to be proud of. Mr. William Lyne Starling, of this city, gained this distinction at the end of the last term. He was informed by the president of the institution Tuesday that he had won the honors of the sophomore class. The honor carries with it the presentation of a gold watch, suitably engraved. Every year one of these watches is presented to the best Latin student, provided his work in every other department is of a high order. The watches are paid for by the interest accumulating on a gift of \$1,500 by Gen. J. T. Boyle several years ago. Lyne, who is the younger son of Mr. J. M. Starling, has received the congratulations of his many friends here. He has always been a close student and richly deserves the honor he has won.

This is the second of the watches that has been won by Hopkinsville boys. Mr. Wallace Kelly is now carrying the one awarded to him in 1894.

CUPID CUTTING CAPERS IN JUNE.

No Let up in the Rush of Matrimonial Matters.

STILL MORE TO FOLLOW.

Two Weddings Thursday of Well Known Young Lawyers.

The marriage of Mr. Roger Wayles Harrison and Miss Evie Louise Nash Thursday afternoon was an especially pretty church wedding.

The Baptist church was well filled with the friends of the young couple and the stand was elaborately decorated with potted plants.

Messrs. Jas. A. Young, Jr., Wallace Kelly, R. M. Fairleigh and Chas. H. Nash, Jr., were the ushers and preceded the wedding party as they entered promptly at 4:30 o'clock to the strains of the wedding march played by Mrs. Jas. H. Anderson.

Mr. Harrison entered on the arm of his best man, Mr. John Stites, and the bride came in with her sister, Miss May Nash. Meeting at the chancel, the bride and groom took their places on the stand and the ceremony that united them was appropriately said by Dr. Chas. H. Nash, the bride's father. Dr. Edmund Harrison, father of the groom, stood beside Dr. Nash and concluded the ceremony with a short prayer.

Upon leaving the church, Mr. and Mrs. Harrison went at once to the L. & N. depot and boarded the 5:15 train for a Southern trip. Returning next week, they will be at home at Bethel College.

The bride's costume was a handsome traveling dress of blue.

A large party of friends accompanied them to the depot and threw handfuls of rice at them as they boarded the sleeper.

Mr. Harrison is the youngest son of Rev. E. Harrison, President of Bethel Female College, and is a rising young attorney. His bride is the oldest daughter of Rev. C. H. Nash, D. D., pastor of the Baptist church. Petite and graceful, with dark hair and eyes, her beauty is of the Southern type. She is a graduate of Bethel College with the degree of A. M., and is an accomplished musician.

The young couple received many handsome and valuable bridal presents.

Prowse-Lyon.

Mr. Charles Odom Prowse and Miss Elizabeth Lyon, of Nashville, were married Thursday evening at 7:30 o'clock, at the home of the bride's mother, Mrs. Julia B. Lyon, in Nashville. Rev. M. P. Logan, of the Episcopal church, officiated. They left for Monterey, Tenn., to spend a few days before returning home.

The bride a few years ago visited Mrs. C. K. Wily, in this city, and Mr. Prowse met her and the attachment was formed that has so happily culminated. She is a young lady of aristocratic lineage and possesses much beauty and many personal charms.

Mr. Prowse is a son of County Clerk John P. Prowse, and is the Republican nominee for County Attorney.

They will live at the home of the groom's father, on South Main Street.

TWO EARLY CALLS

Promptly Answered By the Fire Department.

Yesterday morning about 1 o'clock an alarm was turned in from F. M. Darling's saloon on Sixth street, between Main and Virginia. The fire department was promptly on hand and soon extinguished the flames. There was a box of matches under the counter and it is supposed it was set on fire by rats. The loss was about \$75 on the building and fixtures. Insured with Higgins & Son. Already adjusted.

Another alarm was turned in at 1 p. m. from the home of Henry Quarles, col., at First and Virginia streets. When the department got to the house it was found that a lot of clothes had caught on fire but had been put out by a couple of buckets of water.

The unruly hose carriage horse, George, has "quit his meanness" and gotten down to the obedient point and enabled the department to make prompt response to both calls yesterday.

VERDICT FOR \$2,000

In Case of H. W. Deason For Alleged Damages.

In the case of H. W. Deason against the L. & N. railroad, which was called for trial in the circuit court last Tuesday, the jury rendered a verdict Wednesday afternoon, finding for the plaintiff in the sum of \$2,000. This case was tried at the last February term of the court and Deason was awarded \$3,000. The verdict was set aside and a new trial granted. In the original trial L. Yonts was the attorney for plaintiff. In the second trial Judge James Breathitt was employed as assistant attorney.

The grounds set forth in the original case, briefly stated, are: The plaintiff, who is a citizen of Christian county, was a passenger on a train of the defendant, on April 4, 1904, and was standing on the platform of a car, when by a sudden lurch of the train he was thrown from the car. By his fall defendant sustained serious injury, the ligaments of one of his shoulders were broken, the point of the shoulder blade fractured and his shoulder dislocated.

The case will doubtless be carried to the court of appeals. The case was closely contested by the attorneys on both sides.

NEW CORPORATION.

Walter and W. C. Binns and R. A. Peek are the incorporators of the Binns Milling Co. The articles of incorporation were prepared by Judge J. I. Landes and sent to Frankfort yesterday. The authorized capital stock is \$20,000 and the company is to begin business on July 1st and continue for a period of 25 years.

It is safe to say that 75 per cent. of the people set their time pieces by the fire department clock. This is not altogether safe, as the clock hasn't yet been regulated properly.
